Splunk.com Registration Best Practices

We'll get you Splunking in no time!

Follow the below guidance for smooth sailing through your Splunk.com registration. Ignoring these best practices may delay your access to Splunk.

Business Email

- Unless you are registering for a personal instance of Splunk, use your assigned company business email address
- Do not attempt to register using multiple email addresses if your first attempt is unsuccessful

First and Last Name

- Provide your real, full legal name
- Avoid acronyms, nicknames, and initials
- Do not enter information that is not a name (e.g. abcde)

Job Title

- Provide your full current job title

Phone Number
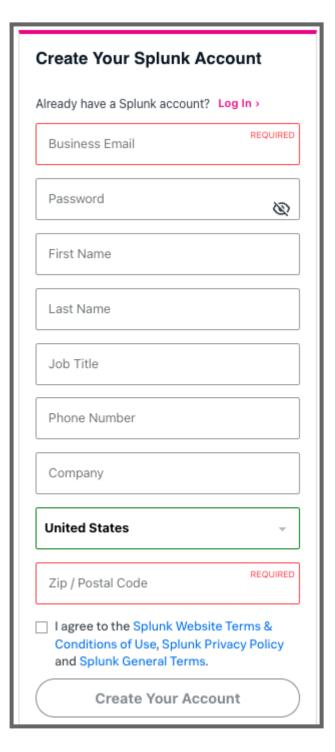

- Be sure to include the country code

Company

- Provide the full business name
- Avoid acronyms and shorthand
- Avoid information that is not a name (e.g., no, X, self, start-up, etc.)
- Enter only NA if you are <u>not</u> registering on behalf of a company

Country

- Select from the drop down list

Zip/Postal Code

- Enter NA if your country does not have postal codes
